Resident Spotlight

Ron Wilber

Ron was born on August, 22nd 1948 to his parents, Donald and Eleanor Wilber. Ron and his family lived in Blissfield for 35 years. Ron grew up with one sister. She passed away in 2011. Ron graduated from Blissfield High School in 1966. He played baseball for 4 years and for 2 years played basketball. He then went straight to work at Ford Motor Company. He was the head of his department. He had to make sure each and every machine had the correct amount of materials inside so that the proper parts were made. The factory was the largest injecting mold company in the world when Ron worked there. Ron worked 7 days a week and sometimes 12 hour shifts, so there wasn't much time for traveling. When he did travel he remembers Cedar Point, Niagara Falls, and Su St. Marie. Ron married his first wife when he was 19 years old. They were married fifteen years and share 4 children together, Connie, Bubba, Casey and David. Ron loves all sports. He was a Little League Coach for 13 years while living in Blissfield. Ron loves playing Disc Golf, Golf and of course watching Baseball and Football.

Ron remarried in 1989, and they lived at Vineyard Lake for many years before she became ill and passed in 2020. Ron along with his son Casey, decided it would be best for Ron to find a place at Brooklyn Living Center. Ron visited and fell in love with the building and his apartment. Ron said there were many things that brought him here: not having to do the upkeep on his home, no lawncare needed, the staff is always there if he ever needs anything. Last but not least he needed a good cook :) . Ron is very happy with his choice and is very happy to be where he is today.

Ron would also like to thank Jan Malcom for being such a great friend. They have found they like to do a lot of the same things, enjoying company, shopping for candy, playing disc golf, going to church, watching movies, eating popcorn and playing Cornhole.

Ron would like you to know he enjoys great conversations, likes playing Bingo, cornhole, pennies and just really enjoys people and their company.

Ron wants to thank all of the Brooklyn Living Center staff for everything they do.

Thank you for sharing your story with us Ron.
